

Monthly Payments

Terms and Conditions

1. Commitment Period

By selecting the monthly payment option, members commit to a full 12-month membership term.

2. Payment Structure

The annual membership fee (equivalent to 13 months) is spread evenly across 12 monthly payments. Payments will be charged monthly via the agreed payment method.

3. Early Termination

If a membership is cancelled before the end of the 12-month term, the remaining balance of the annual membership fee becomes payable. This may be invoiced or charged in full at the time of cancellation. Memberships are non-refundable once commenced. That said, we understand that things happen — if you're dealing with an injury or health-related issue, please get in touch. We're happy to look at pausing your membership where needed.

4. Missed Payments

If a payment fails or is missed, the Club reserves the right to suspend access to facilities until payments are brought up to date. Ongoing non-payment may result in the full outstanding balance becoming immediately due.

5. Renewal

At the end of the 12-month term, memberships will automatically renew for a further 12-month period unless the member advises otherwise prior to the renewal date. The monthly payment arrangement will continue under the same terms unless updated.

6. Changes to Fees

The Club reserves the right to review and adjust membership fees annually.

Members will be notified of any changes prior to renewal.
